

Data Processing Addendum – LinkLeafQR

This DPA applies to users of LinkLeafQR who require GDPR compliance.

1. Roles

- You are the Data Controller.
- LinkLeafQR acts as Data Processor for redirect logs and account data.

2. Processor Obligations

We:

- Process data only to deliver the service.
- Implement reasonable technical and organisational security measures.
- Assist in fulfilling data subject rights.
- Delete or return personal data upon request.

3. Sub-processors

We use:

- Hosting providers (UK/EU or equivalent safeguards).
- Stripe for payments.

4. International Transfers

Transfers outside the UK/EU use approved safeguards.

5. Contact
